I'm such a zero

So sophisticated

I'm such a zeroDon't burn

Don't burn

(Hmm)Now I'm gettin' relocated

Destination zero

I'm so dislocated

From my real born heroYou wanna see me fall

What you're askin' for?

I patted your behind

And you givin' me aggroDon't burn

I'm such a loser

She knows how to use me

But I don't wanna lose herBaby don't run

Baby don't come

Find a place a space to rise to

'Cause I'm movin' on
