

Riot Rhythm

Sleigh Bells

You've got a smart best friend and she's okay
Have you had a smile today?
Close the door, take your seats
Or else you need to play for keeps
Dear heart, don't stop fighting
We're going to fight the lightning
It's not hell or heaven
Just like riot rhythm
(You've gotta march)
Ah, ah, ah, ah, ah, ah, ah
Ah, ah, ah, ah, ah, ah, ah
(You've gotta march)
Ah, ah, ah, ah, ah, ah, ah
Ah, ah, ah, ah, ah, ah, ah
You've got a smart best friend and she's okay
Have you ever felt that way?
Straight A kids like a treat
She stands up and takes the heat
Dear heart, don't stop fighting
We're going to fight the lightning
It's not hell or heaven
Just like riot rhythm
(You've gotta march)
Ah, ah, ah, ah, ah, ah, ah
Ah, ah, ah, ah, ah, ah, ah
