

Sad Eyes

Bee Gees

Looks like it's over
You knew I couldn't stay
She's coming home today
We've had a good thing
I'll miss your sweet love
Why must you look at me that way
It's over Ohh, sad eyes
Turn the other way
I don't want to see you cry
Sad eyes
You knew there'd come a day
When we would have to say goodbye Try to remember
The magic that we shared
In time your broken heart will mend
I never used you
You knew I really cared
I hate to say it at the end
But it's over Ohh, sad eyes
Turn the other way
I don't want to see you cry
Sad eyes
You knew there'd come a day
When we would have to say goodbye Sad eyes
You knew there'd come a day
When we would have to say goodbye
Sad eyes
(Sad eyes)
Turn the other way
(Turn the other way)
I don't want to see you cry
(Cry, cry, cry) Sad eyes
(Sad eyes)
You knew there'd come a day
(Hey, hey)
When we would have to say goodbye
