

# God Will Provide

Kitty Cleveland

God will provide all we need.  
Heâ€™ll never leave or forsake us.  
He lovingly tends all his sheep.  
We believe God will provide.

He clothes the grass in splendor, and feeds the birds of the air.  
If such as these he cares for, how much more will the Father care for us?

We know that God will provide all we need.  
Heâ€™ll never leave or forsake us.  
He lovingly tends all his sheep.  
We believe God will provide.

The Holy Spirit protects us, guides us day by day!  
Heals and perfects us until we see Godâ€™s Holy Face!

God will provide all we need.  
Heâ€™ll never leave or forsake us.  
He lovingly tends all his sheep.  
We believe God will provide.

He knows everything you need is your Father.  
Be at peace! God will provide!
