

Swallows Of San Juan

Alejandro Escovedo

I gonna crawl upon the shore
Roll in the mud and the clay
Like the swallows of San Juan

I'm gonna get back some day
A thousand steps to the water
A thousand steps you must take

There's a thousand worlds on a head of a pin
A thousand rules to break
Next time you see me

I'm going to smile for the camera
Like some wild man from Pompeii

Take my word

Go down to the sea

It's breaking bigger

Than anything any of us have ever seen
I gonna crawl upon the shore
Roll in the mud and the clay

Like the swallows of San Juan

I'm gonna get back some day
Had a blonde tv special

And an English half Stef

I lost some boats in a deal

But some day, some day

I'll get 'em back
Next time you see me

I'm going to smile for the camera

Like some wild man from Pompeii

Take my word

Go down to the sea

It's breaking bigger

Than anything any of us have ever seen
I gonna crawl upon the shore
Roll in the mud and the clay

Like the swallows of San Juan

I'm gonna get back, get back some day

I'm gonna get back some day

Get back some day

Gonna get back some day

Yeah, some day

Gonna get back some day

Get back

Get back some day
