

# Radioactive

## Marina & The Diamonds

Lying on a fake beach  
You'll never get a tan  
Baby I'm gonna leave you drowning until you reach for my hand

In the night your heart is full and by the morning empty  
But baby I'm the one who left you, you're not the one who left me

When you're around me, I'm radioactive  
My blood is burning, radioactive  
I'm turning radioactive  
My blood is radioactive  
My heart is nuclear  
Love is all that I feel  
I'm turning radioactive  
My blood is radioactive

Waiting for the night fall, for my heart to light up  
Oh baby I want you to die for, for you to die for my love

In the night your heart is full and by the morning empty  
But baby I'm the one who left you, you're not the one who left me

When you're around me, I'm radioactive  
My blood is burning, radioactive  
I'm turning radioactive  
My blood is radioactive  
My heart is nuclear  
Love is all that I feel  
Ready to be let down  
Now I'm heading for a meltdown

Tonight I feel like neon gold  
I take one look at you and I grow cold  
And I grow cold  
And I grow cold

When you're around me, I'm radioactive  
My blood is burning, radioactive  
I'm turning radioactive  
My blood is radioactive

My heart is nuclear  
Love is all that I feel  
Ready to be let down  
Now Iâ€™m heading for a meltdown
