

In the Rain

Madness

One two three four
There is such confusion in my mind
To play your illusion is so unkind
I didn't know who you were this afternoon
You said that it didn't matter and I'll see you soon
Standing here in the rain
Maybe the weather will change again
Change again or stay the bleedin' same
How I met you in the first place I'll never know
But now I think that I know you you're telling me to go
You said you'd be back told me to wait here just in case
But then you never arrived and I'm waiting outside your place [Repeat x2]
Standing here in the rain
Maybe the weather will change again
Change again or stay the bleedin' same
There is such confusion in my mind
To play your illusion is so unkind
I didn't know who you were this afternoon
You said you said that it doesn't matter and I'll see you soon
Standing here in the rain
Maybe the weather will change again
Change again or stay the bleedin' same
Shame
