

Extraordinary Girl

Green Day

She's an extraordinary girl
In an ordinary world
And she can't seem to get awayHe lacks the courage in his mind
Like a child left behind
Like a pet left in the rainShe's all alone again
Wiping the tears from her eyes
Some days he feels like dying
She gets so sick of cryingShe sees the mirror of herself
And image she wants to sell
To anyone willing to buyHe steals the image in her kiss
From her hearts apocalypse
From the one called what's her nameShe's all alone again
Wiping the tears from her eyes
Some days she feels like dying
She gets so sick of cryingShe's all alone again
Wiping the tears from her eyes
Some days she feels like dying
Some days she's not worth trying
Now that they're both up on it
She gets so sick of cryingShe's an extraordinary girl
An extraordinary girl
An extraordinary girl
An extraordinary girl
