Make Me Believe

Crack Jaw

Ain't no man to be found
I know you ain't b.s.'in
so just remember that i'm hip to the lip
before you ask any question
i ain't no young silly girl
so move out of your hard-rappin world
you're gonna be downright shame*
if i found out you're playin any gamesmake me believe in you (make me believe in you)
show me your love can be true (show me your love can be true)
anything you want me to do (anything you want i'll do it)
just make me believe in you (make me believe in you)I can't deal with temptation
you know it leaves me with no inspiration
another man playing on me
may have a hard time succeeding you see (you don't seem to be)
you don't seem quite like the others
which gets you respect from me brother
but it will be awful, awful sad
to give love and you treat me so badmake me believe in you (make me believe in you)
show me your love can be true (show me your love can be true)
anything you want me to do (anything you want i'll do it)
just make me believe in you (make me believe in you)hey hey hey heymake me believe in
make me believe in
make me believe in
i need you to
make me believe in
make me believe in
make me believe in
make me believe inso make me believe in you (make me believe in you)
show me your love can be true (show me your love can be true)
anything you want me to do (anything you want i'll do it) (anything you want anything you need)
just make me believe in you (make me believe in you)so make me believe in you (make me believe in you)
show me your love can be true (show me your love can be true)
anything you want me to do (anything you want i'll do it) (cuz i can't deal with temptation)
just make me believe in you (make me believe in you) (it leaves me no inspiration)hey hey hey heycuz ain't no man to be found
i know you aint b.s.'in
so when you come around
you just keep it real with me
