

# It's Probably Me

## Sting

If the night turned cold and the stars looked down  
And you hug yourself on the cold cold ground  
You wake the morning in a stranger's coatNo one would you see  
You ask yourself, who'd watch for me  
My only friend, who could it be  
It's hard to say itI hate to say it, but it's probably me  
When your belly's empty and the hunger's so real  
And you're too proud to beg and too dumb to steal  
You search the city for your only friendNo one would you see  
You ask yourself, who could it be  
A solitary voice to speak out and set me freeI hate to say it  
I hate to say it, but it's probably me  
You're not the easiest person I ever got to know  
And it's hard for us both to let our feelings show  
Some would say I should let you go your wayYou'll only make me cry  
If there's one guy, just one guy  
Who'd lay down his life for you and dieIt's hard to say it  
I hate to say it, but it's probably me  
When the world's gone crazy and it makes no sense  
There's only one voice that comes to your defense  
The jury's out and your eyes search the room  
And one friendly face is all you need to see  
If there's one guy, just one guy  
Who'd lay down his life for you and dieIt's hard to say it  
I hate to say it, but it's probably me  
I hate to say it  
I hate to say it, but it's probably me
