16 Stone Pig

One Minute Silence

Never know what life is gonna throw at you
Never know what life is gonna throw at youBased on a true story
They say he struggled they say he fell
I say he found himself black in a pig cellNever know what life's gonna throw at youKill it rape it rob it take it
Build it break it move it shake it
Bigger better brighter faster
Tickets for the ever after
Burn it bomb it carpet bomb it
Wake up want always on itStart it stop it fuck 'em drop it
Pass the popcorn shut the fuck up
Pop it chop it snort it sorted
Wear it hide it chance it ride it
Live it write it shit exploit it
Can't escape it some abort it
Love it hate it take it leave it
Try it buy it want it be it
Close your eyes and never see it
Suck it fuck it say it mean itNever know what life is gonna throw at you
Try it buy it want it be it
Love it hate it take it leave it
Suck it fuck it say it mean itClose your eyes and never see it
For what it's worth
