

Apartment 26

Accumulate into one, the second half has begun
And I'm not the judge
Innocent are hung, remain unsung
And I hold a grudgeTake a stab in the dark and then it comes as a shock
Finger on the pulse
Everything that can, happens to the man
See the mannequin smileWhen I am running out
I am running out
I am running outSwitch the moon and the sun, shield and the gun
Clip after clip
I'd love to stay and watch, make mine what you clutch
Empire slipsThe weight is too much to hold
Excuses old, I realize
Everything that can, happens to the man
See the mannequin smileYou don't get it like I get it
(You don't get it)
Like I do
You don't get it like I get it
(You don't get it)
Like I doWhen I am running out
I am running out
I am running outEmpire slips
Excuses old, I realize
Everything that can, happens to the man
See the mannequin smileWhen I am running out
I am running out
I am running out
