

# The Heart It Beats the Thunder Rolls

## The Wind and The Wave

Stopped looking for the holy grail, stopped looking for the one  
Cause I got everything I need right here, I got everything I want  
Cause i'm a heavy-hearted bitch, hit home  
I'ma need me a bone son Oh i'm calling bullshit baby on the while shebang  
Someday you'll wanna pull the trigger, no gun in your hand  
You're sitting on a gold mine, just saying baby  
Don't mind me  
Don't mind me The heart, it beats, the thunder rolls  
The mind does sleep, the body knows  
Keep on, keep on, keep on I aint waiting on no repo man, I aint looking for a sign  
No, I don't want a fucking picket fence  
See I just wanna make you mine  
Cause i've been riding on a caroselle and I wanna get off, I wanna get off The heart, it beats, the thunder rolls  
The mind does sleep, the body knows  
Keep on, keep on, keep on The heart, it beats, the thunder rolls  
The mind does sleep, the body knows  
Keep on, keep on, keep on The heart, it beats, the thunder rolls  
The mind does sleep, the body knows  
Keep on, keep on, keep on
