

# Taurus II

## Karlheinz Stockhausen

Hush now baby made a start  
There's a jewel in your heart  
And a star that shines for you  
Watching everything you do Don't you cry though it may seem  
You were born into a dream  
There's another race to run  
You were not the only one Standing in the morning sun  
Waiting though it had begun  
May you never run ground  
Or call into the deep, deep sound Stormy weather turns to blue  
Here's a song to take with you
