Busy

Olly Murs

Weekends in bed, no scrambled eggs or bacon
I just have time for you
Backs on the grass, heads in the clouds, we closed our eyes
Enjoy the view
And we don't wanna hear
The real world passing by
Saying that we're crazy
We spend all our time lying side by side
Going nowhere, it's really something
Getting busy, doing nothing
We spend all our time running for our lives
Going nowhere, it's really something
Getting busy, doing nothing
No magazines or DVD's
We both got better things to do
I'll hold your hand or shall we dance together?
It's so hard to choose
Every time we hear
The whole world rushing by
I know that we're not crazy
We spend all our time lying side by side
Going nowhere, it's really something
Getting busy, doing nothing
We spend all our time running for our lives
Going nowhere, it's really something
Getting busy, doing nothing, doing nothing
We should be working hard
Instead of lying here naked
Phone rings but I won't take it
'Cause you only get one life, only get one life
All our time lying side by side
Going nowhere, it's really something
Getting busy, doing nothing
We spend all our time running for our lives
Going nowhere, it's really something
Getting busy, doing nothing
All our time doing nothing
All our time getting busy, doing nothing
