

Right In

[Skrillex](#)

Right, Right in, Right, Right in,
Right, Right in, Right, Right in,
Right, Right in, Right, Right,
Right, Right in,
It's another one!,
Come on!
Right Right Right Right,
Right Right Right Right,
I do believe, I do believe, I do believe,
Right, Right in, Right, Right in,
Right, Right in, Right, Right in,
Right, Right in, Right, Right,
Right, Right in,
It's another one!,
Come on!
Right Right Right Right,
Right Right Right Right,
I do believe, I do believe,
I do believe, I do believe,
Right, Right in, Right, Right in,
Right, Right in, Right, Right in.
