## Sacramento

I can't help but feeling that love  
Is always dealing me a losing hand  
California's sleeping and you've got me weeping  
I am just a man, I'm just a man, I'm just a manStanding at the airport  
She is just a cohort coffee in her hand  
Sacramento's breathingAnd I can't help believing you don't understand  
Don't understand, I'm just a man  
Don't understand, I'm just a manCalifornia's sleeping and you've  
Got me weeping and I am just a man  
I can't help but feeling that love  
Is always dealing me a losing hand  
My losing hand, I'm just a manStanding at the airport  
She is just a cohort coffee in her hand  
Sacramento's breathing and I can't help believingConscious of my losing hand, my losing hand  
My losing hand, don't understand  
My losing hand, don't understandCalifornia's sleeping and you've  
Got me weeping and I am just a man  
I can't help but feeling that love  
Is always dealing me a losing handMy losing hand, my losing hand  
Don't understand, my losing hand  
Don't understand, my losing hand  
Don't understand, don't understand  
Don't understand
