

# Accidents Are On Purpose

[Moneen](#)

I'm not sure what's worse  
The waiting or the waiting room  
"You're next sir" becomes a cruel taunt to you  
recycled air, the smell of sleep and disinfectant  
Your god is a two door elavatorDo they even cure you  
(woah...)  
Or is it just to humour us before we die  
(woah...)  
If Only we could heal ourselves  
We wouldn't.. need to be hooked up to these machinesWhoa whoa whoa...Do they even cure you  
or is it just to humour us before we dieLet's redefine (6x)  
(woah...)  
What it means to healDo they even cure you  
(woah...)  
Or is it just to humour us before we die  
(woah...)  
If Only we could heal ourselves  
We wouldn't.. need to be hooked up to these machinesWhoa whoa whoa...
