

# Number Ten Lullaby Lane

Harry James

Wasn't it -- a lucky thing -- when we got caught in the rain?  
We found ourselves on the doorstep -- of Number Ten Lullaby Lane.  
And wasn't it -- a lucky thing -- the man came out to explain  
That we were just the right people -- for Number Ten Lullaby Lane.  
He said that we -- could move right in -- if we would sign the lease,  
But when we said -- we weren't wed -- he said that he was also the Justice of the Peace.  
So if you're in -- the neighborhood --and you get caught in the rain,  
You'll find us waiting to greet you -- at Number Ten Lullaby Lane.

The song is from the early 1940s or before.
