I Hate Jimmy Page

Mindless Self Indulgence

I'm just another little faggot with a problem,
Fuckin around over someone else's hard on
I got tha balls with the foul smelling DJ
Suckas cant reach me, touch me, eat me
I lick clit, I like it.
Lookin for love in all the wrong places
Black ala mode with the mumified faces
Am I animals, vegetable, mineral or ughh-
I'm a bad ass, tell me I'm a bad ass!
I dont need you and I dont need a break!
If I weren't here I'll be out getting laid!
Please, please, please sing the whole damn song,
A song is just 2 minutes, and one minute 59 seconds too goddamn long!
Yeah yeah yeah yeah yeah!
I hate Jimmy Page!
Yeah yeah yeah yeah yeah!
Kick those faggots off the stage!
Yeah yeah yeah yeah yeah!
Bite the future and fuck the past!
Yeah yeah yeah yeah yeah yeah!
Cause my whole shit will never last!
I hold the microphone with my butt now
Who like that song 5 year old pantyshot
Yeah yeah it'll be a real big record!
Cause he got the the bump with the molestation!
I'm lower than most animals, and fear what might be weird!
and all those voices in my head have every right to be there
i ain't a girl just cause i rock the gold
i ain't a boy just cause i rock your world now
bad boy don't you fuck my dolly

and i'll kiss my ass and put a motherfucking smile on my face
and i get real stupid and you and you and you can't stop me
i'll show you how official midgets jack me off
i hate jimmy page
kick those faggots off the stage
bite the future and fuck the past
my whole shit will never last
one day i'm a do the fuckin' - i'm a screw the fuckin'

no cheese below is gonna show you who you is and there's no need to ask it
he put this out his back and he won't break a shit
when you say that he's nothing - i said that he's nothing
i make the laws - i be the lawmaker
when you looks me upside down don't forget to fuck yourself
you're so wrong with yo jive you don't know me
why the hell you come to gimme dis
you so wrong with yo jive
now there are some things in life i don't like
and this is what i just did
so i took a big hit of who da fuck gives a shit
you - not i - i am destined to die no
and ADD to me means you don't have to ask me why now
why do you guys got the ball day rock - ooh
i hate jimmy page
kick those faggots off the stage
fuck the future and bite the past
cause my whole shit will never last
i'll show you how official midgets fuck me off
i'll show you how official midgets jack me off
i'll show you how official midgets jack me off
i'll show you how official midgets jack me off
