Happily Married

Tampa Red

We are so happily married
We gave up all for love
And now we are freeIt's so heavenly
We wish everyone to know
It's robins and roses
Whever we go, oh, oh, ooh, ohWe sacrificed
And paid the price, together
We made a vow to be the same
Forever, ever and everOh, we are so happily started
And never to part again
To be gay to the end
Mmm, mm, mmm, yeahI hear ya Mr. Ivory Man
Uh huh'Come on everybody there
Come on up ladies and gentlemen
Yow sirYou hear the old maestro talkin' to ya
Uh huh
Yow sir
Yas, yas, yasI can hear the Saxman talkin' to ya
Uh huh
YeahUh huh, now that's Honey Bear, listen to him
Oh yeah
Yas, yas, yasOh, we are so happily married, yeah
We gave up all for love
And now we are free
YesIt's so heavenly
We wish everyone to know
It's robins and roses
Ever, ever we goWe sacrificed and paid the price, together
We made a vow to be the same
Forever, ever and everWhoa, we are so happily started
And never to part again
We'll be gay to the end
Yas
