

The Absurdity Of What I Am

Origin

The loathsome emptiness / Of an inverted landscape
Nature is destitute / Earthly quarantine
Defanged and stripped of ego / Failures / Shattered psyche
Amniotic wormhole / Passage to obsolescence
Echo surmounts the voice / Burden of procreation
A flawed totality / Spawned in blood built to hate
Limits of articulation / Lack of a grand design
Depths of depravity / The absurdity of what I am
Plagued how many / Prophets warned
Decay a broken / Ouroboros
Shunned dripping with / Latent horror
Exile sanctity / Of descent
Laying waste to generations
Recede the sprawl ebb of mankind
Break the cycle tearing away
Soul and sinew
Spoils of war
Plagued How many / Prophets warned
Decay a broken / Ouroboros
Shunned dripping with / Latent horror
Exile sanctity / Of descent
THERE'S NO EXIT
IN THE WAKE OF
ORTHODOXY
NO CONCLUSION
Embodiment of institutions / Nothing comes from nothing
Rebelling against polarity / Succumb to the negation
Blood on our hands tipping the scales / Swathed in a blasphemy
Experience undimension / Absurdity of what I am
