

# Forgiven (3:29)

## Sanctus Real

Well the past is playing with my head  
And failure knocks me down again  
I'm reminded of the wrong  
That I have said and done  
And that devil just wont let me forget[Chorus]  
In this life  
I know what I've been  
But here in your arms  
I know what I am  
I'm forgiven  
I'm forgiven  
And I don't have to carry  
The weight of who I've been  
'Cause I'm forgivenMy mistakes are running through my mind  
And I'll relive my days, in the middle of the night  
When I wrestle with my pain, struggle with my pride  
Sometimes I feel alone, and I cry[Chorus]
