Love Like Mine

Hayden Panettiere

So you think that you're the one who's up in score
Just cause you're the first one walkin' out the door
Well, take it when you leave
I don't need your sympathyI might stay up, drunk on wine, hurtin' like hell
And ugly, crying black mascara tears
I might lock my door, sleep with my phone
Miss you bad for a month or soBut let me tell you somethin', my dear
I'm gonna be just fine
But you're never gonna find
Another love like mine, oh no, noSee, I think you think that new means better off
But the proof's in the pudding, once the shine is lost
So go and get yourself
A little taste of somethin' elseI might stay up, drunk on wine, hurtin' like hell
And ugly, crying black mascara tears
I might lock my door, sleep with my phone
Miss you bad for a month or soBut let me tell you somethin', my dear
I'm gonna be just fine
But you're never gonna find
Another love like mineIt's starting to sound like a good idea
The more we're standin' hereI'm gonna stay up, drunk on wine, hurtin' like hell
And ugly, crying black mascara tears
I'm gonna lock my door, sleep with my phone
Miss you bad for a month or soBut let me tell you somethin', my dear
I'm gonna be just fine, but you're never gonna find, no
I'm gonna be just fine, but you're never gonna find, no
I'm gonna be just fine, but you're never gonna findAnother love like mine, oh no, no
Never gonna find another love like mine, oh no, no
