

Butterfly - Ranji Remix

Danny Darko

No hope, no fear
It feels like a hundred years, hundred years
The moonless sky in the night
White knuckle holding tight to

One way of looking at the world
Some say flying's for the birds
Freedom doesn't come from not being afraid
Freedom is a choice, a choice that we make now
(We make now x7)

The moonless sky in the night
White knuckle holding tight to

One way of looking at the world
Some say flying's for the birds
Freedom doesn't come from not being afraid
Freedom is a choice, a choice that we make now

(We make now)

(We make now)

Do you think I want this?

This isn't perfect anymore

Not only one way of looking at the world
And some say flying's for the birds

No hope, no fear
It feels like a hundred years, hundred years
The moonless sky in the night
White knuckle holding tight to

One way of looking at the world
Some say flying's for the birds
Freedom doesn't come from not being afraid
Freedom is a choice, a choice that we make now

One way of looking at the world
Some say flying's for the birds
Freedom doesn't come from not being afraid
Freedom is a choice, a choice that we make

Calling time

Calling time

(Just this)

Do you think I want this?

Calling time (Just this)

Calling time (Just this)

To one way of looking at the world
Some say flying's for the birds
Freedom doesn't come from not being afraid
Freedom is a choice

(Just this)

Calling time

(Just this)
