

Shiny Shoes

Beatsteaks

A nine-to-fiver, still-aliver, a born survivor
I'm changing into overdrive
Try to make it so hard to take it
Learn to fake it before I break it Suit and tie, yeah, I wonder why, yeah
Shiny shoes, yeah, dress in style, yeah
And wear a smile, yeah
Show 'em what I got
'Cause I own the world tonight Here I am now taking aim now
I nearly blew it but still got through it
I always knew it, there's nothing to it Taking aim now, I'm glad I came now
Light the flame now, breaking the chain now
Show 'em what I got
'Cause I own the world tonight
