## **Bohemian Grove**

## **Ab-Soul**

Now they wanna talk about coming clean Give up the ghost, give up the dream I hear them screaming beyond the treesNow they wanna talk about coming clean Give up the ghost, give up the dream I hear them screaming beyond the treesThey're screaming Why? What have I done? Slow burns their lungsWhat have I done? What have I done? Father, won't you save me?

What have I done? What have I done?

Father, won't you save me?

What have I done? What have I done?

Father, won't you save me?

What have I done? What have I done? Burn down the bohemian grove

They got a secret they don't want you to know Burn down the bohemian grove

I can hear them screaming, father, noWhat have I done?

Slow burns their lungsWhat have I done? What have I done?

Father, won't you save me?

What have I done? What have I done?

Father, won't you save me?

What have I done? What have I done?

Father, won't you save me?

What have I done? What have I done?
