

# Lifestyle

## Kranium

Kranium

Yeah

Everybody have a dream

Everybody

Listen me

Ghetto youths

Buy weh yu wah buy

Fly weh yu waah

Fuck any gyal yu waah fuck

That's the lifestyle weh mi want

Buy weh wi waah buy

Fly weh mi want

Aye

Fuck any gyal mi waah fuck

Datz the lifestyle weh mi waah

From the Benz to the Bentley

Pockets thick neva empty

I've been dreaming bout my dream

From the first day mi start elementary

Lot a dem try tempt me

Try side step me

But mi always pray to the almighty

so mi can

Buy weh yu wah buy

Fly weh yu waah

Fuck any gyal yu waah fuck

That's the lifestyle weh mi want

Aye

Buy weh wi waah buy

Fly weh mi want

Aye

Fuck any gyal mi waah fuck

Datz the lifestyle weh mi waah

My daddy just leave

Nobody ain't near

Me, my mother and my sister alone I swear  
And I made a promise  
Made it to myself  
She even if mi haffi go down town go stock a one shelf so mi can

Buy weh yu wah buy  
Fly weh yu waah  
Fuck any gyal yu waah fuck  
That's the lifestyle weh mi want

Aye

Buy weh wi waah buy

Fly weh mi want

Aye

Fuck any gyal mi waah fuck  
Datz the lifestyle weh mi waah

From the Benz to the Bentley  
Pockets thick neva empty  
I've been dreaming bout my dream  
From the first day mi start elementary  
Lot a dem try tempt me  
Try side step me  
But mi always pray to the almighty  
so mi can

Buy weh yu wah buy  
Fly weh yu waah  
Fuck any gyal yu waah fuck  
That's the lifestyle weh mi want

Aye

Buy weh wi waah buy

Fly weh mi want

Aye

Fuck any gyal mi waah fuck  
Datz the lifestyle weh mi waah
