

# The Anarchist

## Rush

Will there be world enough in time for me to sing that song?  
A voice so silent for so long  
For all those years I had to get along,  
They told me I was wrong.  
I never wanted to belong!  
I was so strong!  
I lack their smiles and their diamonds,  
I lack their happiness and love:  
I envy them for all those things  
I never got my fair share of,  
My fair share of?  
The lenses inside of me that paint the world black,  
The pools of poison, the scarlet mist, that spill over into rage;  
The things I've always been denied:  
An early promise that somehow died;  
A missing part of me that grows around me like a cage?  
A missing part of me that grows around me like a cage?  
In all your science,  
of the mind  
Seeking blind  
Through flesh and bone.  
Find the blood inside this stone!  
What I know I've never shown  
  
What I feel I've always known.  
I plan my vengeance on my own!  
And I was always alone.  
I lack their smiles and their diamonds,  
I lack their happiness and love:  
I envy them for all those things  
I never got my fair share of,  
My fair share of?  
The lenses inside of me that paint the world black,  
The pools of poison, the scarlet mist, that spill over into rage;  
The things I've always been denied:  
An early promise that somehow died;  
A missing part of me that grows around me like a cage?  
A missing part of me that grows around me like a cage?  
Oh, they try to get me?

Oh, they'll never forget me?  
The lenses inside of me that paint the world black,  
The pools of poison, the scarlet mist, that spill over into rage;  
The things I've always been denied:  
An early promise that somehow died;  
A missing part of me that grows around me like a cage?  
A missing part of me that grows around me like a cage?  
A missing part of me that goes around me like a cage?
