Aaaaaaaaaaaaa
Aaaaaaaaaaaaa
Aaaaaaaaaaaaa
Aaaaaaaaaaaaa
Aaaaaaaaaaaaa
Aaaaaaaaaaaaa
AaaaaaaaaaaaaC'mon c'mon c'mon baby
Come on and give me
The benefit of the doubt
I swear that I will do my bestC'mon baby I'm just human
And I'm trying to figure it all out
I swear that I will do my best
I should have told you from the start
That I still suffer from a teenage heartAaaaaaaaaaaaa
Aaaaaaaaaaaaa
Aaaaaaaaaaaaa
Aaaaaaaaaaaaa
Aaaaaaaaaaaaa
Aaaaaaaaaaaaa
AaaaaaaaaaaaaC'mon c'mon c'mon baby
Come on and give me
Another second chance
I know I said I'd my bestC'mon baby I know i'm losing
And I'm lost without you in my life
I swear that I will do my best
I don't want to this fall apart
Cause I still suffer from a teenage heartI know I know I said it all before
I know I know but what should do
I'd take a pill for you
I'd swallow down my pride
If I feel better in side
Cause I don't wanna suffer from a teenage heart no moreAaaaaaaaaaaaa
Aaaaaaaaaaaaa
Aaaaaaaaaaaaa
I don't wanna suffer from a teenage heart no more
Aaaaaaaaaaaaa
Aaaaaaaaaaaaa
Aaaaaaaaaaaaa
AaaaaaaaaaaaaAaaaaaaaaaaaa

Aaaaaaaaaaaaa
Aaaaaaaaaaaaa
Aaaaaaaaaaaaa
Aaaaaaaaaaaaa
Aaaaaaaaaaaaa
