

# Little Voice

## Afraid of Stairs

I won't tell you what I'm thinking  
'Cause it's not the same thing you're thinking too  
You could say I got a best friend  
And she's always tellin' me what to do  
She's out of sight but easy to find  
She's in the front of our minds[Chorus]  
The little voice in my head  
Won't let me forget  
The little voice in my head  
Is never misled  
All of this noise is what  
Keeps me from making a mess  
The little voice in my head  
Just won't let me get with you  
La la la la la la la la la la  
La la la la la la la la la la  
When I see you I admit  
I start to lose my grip  
And all of my cool  
Ya' smell so sweet  
Just like my perfume  
What have you been doing since I left you  
You're always there in my thoughts  
But that doesn't mean that it's on[Chorus]  
I know I sound insane like I'm playin' games  
'Cause all I really want is you  
But there's some things a girl won't do  
Oh oh!  
The little voice, the little voice![Chorus]
