Dr. Sound Effects

Isn't it strange How we move our lives for another day Like skipping a beat What if a great wave should wash us all away Just thinking out loud Don't mean to dwell on this dying thing But looking at blood It's alive right now Deep and sweet within Pouring through our veins Intoxicate moving wine to tears Drinking it deep Then an evening spent dancing It's you and me This love will open our world From the dark side we can see a glow of something bright There's much more than we see here Don't burn the day away Is this not enough This blessed sip of life Is it not enough Staring down at the ground Oh then complain and pray more from above Greedy little pig Stop just watch your world trickle away Oh it's your problem now It'll all be dead and gone in a few short years Just love will open our eyes Just love will put the hope in our minds Much more than we could ever know Don't burn the day away Come sister my brother Shake up your bones shake up your feet I'm saying open up And let the rain come pouring in Wash out this tired notion That the best is yet to come But while you're dancing on the ground

Don't think of when you're gone

Love love what more is there
We need the light of love in here
Don't beat your head
Dry your eyes
Let the love in there
There are bad times
But that's ok
Just look for love in it
Don't burn the day away

Look Here are we On this starry night staring into space And I must say I feel as small as dust Lying down here What point could there be troubling Head down wondering what will become of me Why concern we cannot see But no reason to abandon it Time is short but that's all right Maybe I'll go in the middle of the night Take your hands from your eyes, my love Everything must end some time Don't burn the day away Come sister my brother Shake up your bones shake up your feet

Come sister my brother

Shake up your bones shake up your feet
I'm saying open up

And let the rain come flooding in
Wash out this tired notion
That the best is yet to come

But while you're dancing on the ground
Don't think of when you're gone
Love love what more is there

Don't beat your head
Dry your eyes
Let the love in there
There are bad times
But that's ok
Just look for love in it

We need the light of love in here
