

# Love Vigilantes

## New Order

Oh I've just come from the land of the sun  
From a war that must be won in the name of truth  
With our soldiers so brave your freedom we will save  
With our rifles and grenades and some help from God I want to see my family  
My wife and child waiting for me  
I've got to go home  
I've been so alone, you see You just can't believe the joy I did receive  
When I finally got my leave and I was going home  
Oh I flew through the sky my convictions could not lie  
For my country I would die and I will see it soon I want to see my family  
My wife and child waiting for me  
I've got to go home  
I've been so alone, you see When I walked through the door my wife she lay upon the floor  
And with tears her eyes were sore I did not know why  
Then I looked into her hand and I saw the telegram  
Said that I was a brave, brave man but that I was dead I want to see my family  
My wife and child waiting for me  
I've got to go home  
I've been so alone, you see I want to see my family  
My wife and child waiting for me  
I've got to go home  
I've been so alone, you see  
I want to see my family  
My wife and child waiting for me  
I've got to go home  
I've been so alone, you see
