Seven Days

The Crew Cuts

Seven days, seven days
And there's not a word from you
Seven days without love
Tell me what am I to do
(Tell me what I'm gonna do)Seven days I have cried
How I long to feel your touch
Why'd you go, why'd you stray
When I loved you, oh, so much
(Loved you, oh, so much)
The phone won't ring at all
The clock is standing still
My tears are like the raindrops
Upon my window sill(Seven days, seven days)
Seven days, lonely days
(I have walked the floor for you)
I have walked the floor for you
(Seven days, seven days)
Seven days, lonely days
(Won't you please say you're still true)The phone won't ring at all
The clock is standing still
My tears are like the raindrops
Upon my window sill
Seven days, seven days
I have been in misery
Seven days, lonely days
Darling, please come back to me
(Darling, please come back to me)
