## Cohen

i'm telling you a story now  
of something that's wrong  
this has been developing  
since nineteen eighty-one  
maybe she's alone  
maybe she's alone  
what can i do?  
what can i do?  
there's nothing  
there's nothing  
there's nothing i can do  
there's nothing  
there's nothing  
there's nothing i can do  
if i'm a proper jewish boy  
will her family love me?  
can't stand to see her on the big stage  
and know she's not thinking of me  
maybe she's alone  
maybe she's alone  
what can i do  
what can i do  
there's nothing  
there's nothing  
there's nothing i can do  
there's nothing  
there's nothing  
there's nothing i can do  
maybe she'll be hearing this

but probably she won't (probably she won't)  
possibly she has desires  
but probably she don't (probably she don't)  
maybe she's alone  
maybe she's alone  
what can i do  
what can i do  
there's nothing  
there's nothing

there's nothing i can do  
there's nothing  
nothing  
there's nothing i can do  
yeah  
maybe she's alone  
maybe she's alone  
what can i do  
what can i do  
what can i do  
what can i do  
there's nothing  
there's nothing  
there's nothing i can do  
there's nothing  
there's nothing  
there's nothing i can do
