High Alert (feat. Sara Hartman)

Netsky

[Verse 1: Sara Hartman]
I'd drive through the night, run all the lights
To be by your side
Break down doors, smash through walls
To be by your side
All you have to do is say that you need me
I'll be by your side
Doesn't matter how far, I'll get to you
I'll be by your side
Send up a flare, anytime you're scared
I'll be by your side
Draw it in the sand, I'll hold up your hand
I'll be by your side
All you have to do is say that you need me
I'll be by your side
Doesn't matter how far, I'll get to you
I'll be by your side[Pre-Chorus: Sara Hartman]
So don't be scared
I'm always on high alert
Always on high alert
And I got you
I got you
So don't be scared
I'm always on high alert
Always on high alert
And I got you
I got you[Chorus]
Oooooh x 8
Oooooh x 8[Verse 2: Sara Hartman]
I'd jump from space, fall from grace
To be by your side
If the engines fail, I'll swim through the night
To be by your side
All you have to do is say that you need me
I'll be by your side
Doesn't matter how far, I'll get to you
I'll be by your side[Pre-Chorus: Sara Hartman]
So don't be scared
I'm always on high alert

Always on high alert
And I got you
I got you
So don't be scared
I'm always on high alert
Always on high alert
And I got you
I got you[Chorus]
Oooooh x 8[Bridge]
Don't be scared, no x 8[Pre-Chorus: Sara Hartman]
So don't be scared
I'm always on high alert
Always on high alert
And I got you
I got you
So don't be scared
I'm always on high alert
Always on high alert
And I got you
I got you[Chorus]
Oooooh x 8
