

It Could Be the Same

Van She

She don't notice him
The way he don't talk about it
It could be the same
They way guys talk about it And you don't notice them
They way guys talk about it
It could be the same Since I feeling
I felt something wrong
These words that I'm dealing
They ch.ch belong
He don't notice her
The way she don't talk about it
It could be the same
They way guys talk about it And you don't notice them
They way guys talk about it
It could be the same
(X5)
Since I feeling
I felt something wrong
These words that I'm dealing
They ch.ch belong
