

Stay

12 Stones

I walk to the edge again searching for the truth
Taken by the memories of all that I've been through
If I could hear your voice I know that I would be okay
I know that I've been wrong but I'm begging you to stay
Won't you stay? Will you be here for will I be alone, will I be scared?
You'll teach me how to be strong
And if I fall down will you help me carry on?
I cannot do this alone I wish that I could turn back time just to have one more chance
To be the man I need to be, I pray you'll understand
If I could hear your voice I know that I would be okay
I know that I've been wrong but I'm begging you to stay
Won't you stay? I need your hand to help me make it through again
Nothing compares to how I feel when I look at you
You never know, you never know tomorrow
You never know, you never know tomorrow
Don't walk away
