

# Haunt Me

## Arab Strap

Haunt me, I know  
You'll keep me, in tow  
No laugh, no guide  
No one beside  
So haunt me, 'cause I know  
You'll keep me, in tow  
And she's all, I need  
To love, and breed  
Then haunt me, 'cause I know  
You'll keep me, in tow  
Haunt me, I know  
You'll keep me, in tow  
(Tow)  
No laugh, no guide  
No one beside  
(Beside)  
So haunt me, 'cause I know  
(So haunt)  
( 'Cause I)  
You'll keep me, in tow  
(Tow)  
And she's all, I need  
(She's)  
To love, and breed
