

# Much Better Mr. Buckles

## Guided By Voices

Time is gone out  
If you pick up the weekend  
Precisely, do you see?  
The weak ones of the shifting ethic  
Are packing up So let me know if you go  
Much better Mr. Buckles  
The kind nod of his employment  
Wishes you well Let me know if you go  
Much better Mr. Buckles  
The kind nod of his employment  
Wishes you well Slow and unsure  
Do unfurl your lips and call me  
Entice me, have a drink  
The sick list of a cryptic print  
Is whited out So let me know if you go  
Much better Mr. Buckles  
The kind nod of his employment  
Wishes you well Let me know if you go  
Much better Mr. Buckles  
The kind nod of his employment  
Wishes you well
