Abyss

Stratovarius

I'm out on the open sea
The wind is embracing me
I'm watching the setting sunFar far away from you
There's not much that I can do
You know what's the only way for meInto the depths I fall
Into the unknown darkness I goDown, down, down
Down, down, down
Falling into the abyssA morning of no recall
No memory, no feel at all
The sun is blinding my eyesThe pain I feel in my head
I think I go back to bed
Or should I have just one moreInto the depths I fall
Into the unknown darkness I goDown, down, down
Down, down, down
Falling into the abyssDown, down, down
Down, down, down
Down, down, down
Down, down, down
Falling into the abyss
