Bloodshot Eyes

Jimmy Justice

Now just because your pretty, and you think youre mighty wise
You tell me that you love me, then you roll those big brown eyes
When I saw you last week, your eyes were turnin black
Go find the guy that beat you up - ask him to take you back
Dont roll those bloodshot eyes at me
I can tell youve been out on a spree
Well its plain that youre lyin
When you say that youve been cryin
Dont roll those bloodshot eyes at me

I used to spend my money, to make you look real sweet
I wanted to be proud of you when we walked down the street
Now dont ask me to dress you up, in satin and in silk
Your eyes look like two cherries in a glass of bottled milk

Dont roll those bloodshot eyes at me
I can tell youve been out on a spree
Well its plain that youre lyin
When you say that youve been cryin
Dont roll those bloodshot eyes at me

So I guess our little romance has finally simmered down
You should join the circus, you make a real good clown
Your eyes look like a roadmap, Im scared to smell your breath
You better shut your peepers before you bleed to death

Dont roll those bloodshot eyes at me
I can tell youve been out on a spree
Well its plain that youre lyin
When you say that youve been cryin
Dont roll those bloodshot eyes at me

Dont roll those bloodshot eyes at me
