

Angel Baby

Jenni Rivera

It's just like a heaven
Been here with you
You're like an angel to be true
But after all I love you I do
Angel baby
My angel baby
When ur are near me
My heart get so big
I can hardly stand them
My own to me
Because I love you
Love you I do
Angel baby
My angel baby
Uh I love you
Uh I do
No one can love you
Like I do

Nunca me dejes
Triste y sin tu amor
Si tu te alejas
Yo pierdo el corazon
Por que te quiero
Te amo mi amor
Angel mio
Oh Angel mio
Uh te amo
Uh te quiero amor
Oh te amo por amor
