

# The Outsider (LIVE)

## A Perfect Circle

Help me if you can  
It's just that this is  
Not the way I'm wired  
So could you please Help me understand why  
You've given in to all these  
Reckless dark desires you're  
Lying to yourself again  
Suicidal imbecile  
You're pounding on a fault line  
What'll it take to get it through to you precious  
Over this, why do you  
Wanna throw it away like this  
Such a mess, well I don't wanna watch you Disconnect and self destruct one  
Bullet at a time  
What's your rush now, everyone will have his day to die Medicated, drama queen  
Picture perfect, numb belligerence  
Narcissistic, drama queen, craving fame and all it's decadence Lying through your teeth again  
Suicidal imbecile  
You're pounding on a fault line  
What'll it take to get it through to you precious  
Over this, why do you wanna  
Throw it away like this  
Such a mess, well I don't wanna watch you Disconnect and self destruct one  
Bullet at a time  
What's your rush now, everyone will have his day to die They were right about you Lying to my face again  
Suicidal imbecile  
You're pounding on a fault line  
What'll it take to get it through to you precious  
Over this, why do you wanna  
Throw it away like this  
Such a mess, over this, over this Disconnect and self destruct  
One bullet at a time  
What's your hurry, everyone will have his day to die  
If you choose to pull the trigger, should your drama prove sincere  
Do it somewhere far away from here
