Whoaaaa whoaaa whoaaa whoaa whoaaaa!Hey all (hey all)
Welcome to the greatest storm
I know (I know)
You have waited much to long
And I (and I)
I will be your shining star
I'm here (I'm here)
Here to conquer near and farLike the sword, I'm drawn,
Into the heat of day
Like a knight, I'll fight
Until the fight is wonIn the rage, I'll slay
Each and every
Each and every
Each and every one
'Till this war is wonAnd I live to rule
By the sword
Slashing through the every inch of the power
The power in youAs I sit
As I stand
By the table I command
My kingdomI'm the knight of the windWhoaaaa whoaaa whoaaa whoaa whoaaaa!Hey all (hey all)
Welcome to the end is near
I know (I know)
I will bring you pain and fearOn the ground, to the sky
Faced with you and I
In a flash, I'm gone
Holding your crown high
In the rage, I'll slay
Each and every
Each and every
Each and every one
'Till this war is wonAnd I live to rule

By the sword
Slashing through the every inch of the power
The power in youAs I sit
As I stand
By the table I command
My kingdomI'm the knight of the wind
The knight of the wind
I'm the knight of the windOur castle is a massive force
A stronghold of power
My armor stays unbreakable
In battle every hourWhoaaaa whoaaa whoaaa whoaa whoaaaa!Like the sword, I'm drawn
Into the heat of day
Like a knight, I'll fight
Until the fight is wonIn the rage, I'll slay
Each and every
Each and every
Each and every one
'Till this war is wonAnd I live to rule
By the sword
Slashing through the every inch of the power
The power in youAs I sit
As I stand
By the table I command
My kingdomI'm the knight of the wind
The knight of the wind
