

# All Right, Baby

[Janis Martin](#)

Oh well you took my love and you put me on trial  
Told me you loved me for a long long while  
But now you left me to go on a spree  
To find out baby how it felt to be free Well all right baby, ooh-oo  
All right baby, ooh-oo  
All right baby, if that's the way you want it  
That's the way it's gonna be Well there's a lot of little fishes in the bottom of the sea  
There's a fishy for you and there's a fishy for me  
You better be carefull baby what you do  
So jump in the ocean and find another you Come along baby for the very last time  
So tell your little mama that you're gonna be mine  
I can't stand here cryin' over you  
Yes, you gonna see the picture and say "I do"
