

Living Without You

Hem

The milk truck hauls the sun up
And the paper hits the door
The subway shakes my floor
And I think about youTime to face the dawning gray
Of another lonely day
It's so hard
Living without youIt's so hard
It's so hard
It's so hard
Living without youEveryone's got something
They're out tryin' to get some more
They got something to get up for
But I ain't about toNothin's gonna happen
Nothin's gonna change
It's so hard
Living without youIt's so hard
It's so hard
It's so hard
Living without youSo hard
So hard
So hard
