

S.O.S. / Fire In the Sky

Deodato

Can anyone here me?
Try to get a message through
Is anybody out there now
Or is it really true? It happened so quickly
And there's nothing I can do
This is the end, I've gotta send
An S.O.S. to you
Can you hear me?
Are you near me?
Can you hear me?
Calling
Calling
Fire in the sky (Fire!)
Burnin' like the thunder of the night
Fire in the sky (Fire!)
Falling down on everything inside Fire in the sky (Fire!)
Is anybody out there on the light?
Fire in the sky (Fire!)
Can anybody out there still survive? Fire in the sky (Fire!)
Holding on and running out of time
Fire in the sky, calling fire
Holding on and running out of time! (Fire!)
(Fire!) So fire in the sky (Fire!)
Burnin' like the thunder of the night
Fire in the sky (Fire!)
Falling down on everything inside
Fire in the sky (Fire!)
Is anybody out there on the light?
Fire in the sky, calling fire
Can anybody out there still survive? Fire in the sky (Fire!)
Holding on and running out of time
Fire in the sky (Fire!)
Holding on and running out of time! So fire in the sky (Fire!)
Burnin' like the thunder of the night
Fire in the sky (Fire!)
