

# Smells Like Teen Spirit (DJs From Mars Remix)

## Nirvana

Load up on guns, bring your friends  
It's fun to lose and to pretend  
She's over-bored and self-assured  
Oh no, I know a dirty wordHello, hello, hello, how low  
Hello, hello, hello, how low  
Hello, hello, hello, how low  
Hello, hello, helloWith the lights out, it's less dangerous  
Here we are now, entertain us  
I feel stupid and contagious  
Here we are now, entertain us  
A mulatto, an albino, a mosquito, my libido  
Yeah, heyI'm worse at what I do best  
And for this gift I feel blessed  
Our little group has always been  
And always will until the endHello, hello, hello, how low  
Hello, hello, hello, how low  
Hello, hello, hello, how low  
Hello, hello, helloWith the lights out, it's less dangerous  
Here we are now, entertain us  
I feel stupid and contagious  
Here we are now, entertain us  
A mulatto, an albino, a mosquito, my libido  
Yeah, hey, yehAnd I forget just why I taste  
Oh yeah, I guess it makes me smile  
I found it hard, it's hard to find  
Oh well, whatever, never mindHello, hello, hello, how low  
Hello, hello, hello, how low  
Hello, hello, hello, how low  
Hello, hello, helloWith the lights out, it's less dangerous  
Here we are now, entertain us  
I feel stupid and contagious  
Here we are now, entertain us  
A mulatto, an albino, a mosquito, my libido  
A denial, a denial, a denial, a denial, a denial  
A denial, a denial, a denial, a denial
