

# On The Side Of Angels

[Leann Rimes](#)

I've never been so certain  
I've never been sure  
We're on the side of angels  
If we believe this love is pure  
Is it so hard to trust it  
'Cause we've been wrong before?  
There comes a time in every life  
We find the heart we're waiting for  
After all the 'Might-have-beens'  
The close and distant calls  
After all the 'Try-agains'  
Don't be afraid to fall  
We're on the side of angels after all  
Every time you touch me  
Don't you feel it too?  
The gentle hand that's guiding us  
You to me, me to you  
After all the 'Might-have-beens'  
The close and distant calls  
After all the 'Try-agains'  
Don't be afraid to fall  
We're on the side of angels after all  
Heaven only knows  
Why this took so long  
But only Heaven knows  
A love is right or wrong  
After all the 'Might-have-beens'  
The close and distant calls  
After all the 'Try-agains'  
Don't be afraid to fall  
We're on the side of angels  
On the side of angels  
On the side of angels, after all  
Ooh, yeah  
On the side of angels  
Ooh
